**Warbird Healthcare Advisors Welcomes Kari Cornicelli  
as New Managing Director to Enhance Long-term Sustainability in Healthcare**

**Atlanta, GA – June 20, 2024** – Warbird Healthcare Advisors, a leading advisory firm known for partnering with healthcare organizations to deliver proven results, is thrilled to announce that Kari Cornicelli, FHFMA, CPA, will join the team as Managing Director.

Cornicelli brings her extensive expertise in navigating the complex challenges of ensuring long-term sustainability for healthcare systems through strategic, operational, and financial transformations.

"I am eager to contribute to Warbird's mission of transforming healthcare systems to survive and thrive over the long term," said Cornicelli. Her approach focuses on the essential question facing today's hospital CEOs: How to achieve lasting sustainability.

"Kari's strategic vision for comprehensive healthcare improvement aligns perfectly with our goals," states Michael Draa, CEO of Warbird Healthcare Advisors. "Her leadership will be instrumental in propelling our clients towards enduring success."

Cornicelli's distinguished career, marked by significant achievements in financial performance and operational enhancements, will allow her to partner with organizations to develop robust strategies that fortify healthcare systems, ensuring their growth and stability for years to come.

"I am truly excited to join Warbird, where the dedication to transformative change aligns with my professional mission" states Cornicelli. "I look forward to leveraging my experience in strategic development and financial transformation to help our clients achieve sustainable results."
